At EY, our purpose is Building a better working world. The insights and quality services we provide help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

Diverse & high performing teams

At EY, we believe that only the highest-performing teams, which maximise the power of different opinions, perspectives and cultural references, will succeed in the global marketplace. Our focus on diversity and inclusiveness is integral to how we serve our clients, develop our people and play a leadership role in our communities.

In order to build such teams, we continually strengthen the diverse mix of our teams and leaders by removing barriers in our talent pipeline. We equip our people with skills and confidence to lead and team inclusively, with a global mindset, to maximise contributions of all our people. We cherish the differences in backgrounds of our people and encourage them to use their unique skills to innovate and bring new insights to our clients.

Working in an international setting

Many of our clients are large international enterprises. To offer them the best possible service, we have an international structure, where we work in the form of multicultural and multidisciplinary teams. In your team, you will have access to the support and expertise of EY colleagues from over 150 countries around the globe. At EY you will be given every opportunity to shape your career within our large global network chain.

Leading in financial services

Our 35,000 global wealth & asset management, banking & capital markets and insurance industry professionals are located in major geographic hubs, a unique structure that allows us to rapidly mobilize and dedicate them to the right

Assurance, Tax, Strategy and Transactions and Consulting-related projects across the Americas, Asia-Pacific, EMEA and Japan.

Every day, we provide the insights and timely challenges our clients need to get the most out of their businesses, helping them with transformation programs in the areas of Assurance, Tax, Consulting and Strategy and Transactions services.

Whether they're a start-up or one of the world's most complex organizations, EY's Financial Services teams help navigate and manage risk effectively, build trust with stakeholders and deliver sustainable growth.

We're helping shape the future of financial services and want experienced, entrepreneurial assurance professionals of exceptional talent to join us. You'll bring intellectual curiosity to every challenge and give our clients advice that helps them do business better.
