MANAGEMENT WEEK

PREFACE CHAIRWOMAN STAR MANAGEMENT WEEK

Explore your potential, pursue your dreams and achieve your goals by signing up to the STAR Management Week 2022. This year's theme is centered around the journey all students make during their career orientation process. Whilst delving deeper into all the labor market has to offer, it is vital to keep exploring and pursuing to ultimately achieve the highest result possible.

By participating in the STAR Management Week, you will take the reins and progress forward toward getting where you seek out to be. By joining us, in meeting over 50 firms, you will achieve your personal and professional goals.

Whether you are a first year student or a soon to be graduate, the STAR Management Week is the next step in your promising career path. Get inspired by dining with the big 4, listening to several smart startups pitch, or cracking a case in one of our many interactive case solvings. The STAR Management Week holds something for everyone, which is reflected in the three pillars it is made up of: Academic, Career and Social events.

ACADEMIC

The purpose of this type of event is to get inspired by and explore all different kinds of topics related to the modern-day business environment. You will get the opportunity to find out which business areas are worth pursuing and discover which topics intrigue you the most. Furthermore you get to sit across the table from high-profile executives and discuss trending topics or ask critical questions about any past achievements.

CAREER

During the career activities you will meet many firms in either formal or informal settings. Looking for an internship, a traineeship or an entry-level position? Sign up for one of our recruitment activities and land the job! Besides this the STAR Management Week boasts many opportunities to explore: industry dinners, interactive case solvings, orientation talks, and the company rounds. Pursue your passions and achieve your professional ambitions.

SOCIAL

Lastly we offer three events hosted at unique locations where you can socialize and expand your network,

| Tickets | Non-STAR members | STAR members |
|------------------------------|------------------|--------------|
| Main ticket | €12.50 | €10.00 |
| Honorary Discussions | €5.00 | €5.00 |
| Wine tasting | €2.50 | €2.50 |
| Casino night | €2.50 | €2.50 |
| International Academic Event | €65.00 | €65.00 |
| Closing party | €5.00 | €5.00 |

whilst exploring the city of Rotterdam. Join our wine tasting or game night to connect to fellow students and make the most of your time as a student, by balancing work and play. Pursue all opportunities and make the best memories, as these count as maybe the most memorable achievements.

Are you ready? Sign up and subscribe to the STAR Management Week 2022 to start writing your success story.

It's time to Explore your potential, Pursue your dreams and Achieve your goals!

MESSAGE FROM OUR MAIN PARTNER

Get the best out of yourself

TAKE THE OPPORTUNITY OF A LIFETIME

Your career is exactly that: yours. You call the shots. We give you the opportunities you need. For example: the opportunity to do challenging work that matters. To get the most out of yourself. To help build trust in society and to solve important problems.

LEARNING AND INSPIRING

We'll guide you every step of the way and give you plenty of room to pursue your ambitions and make your own choices. Your job will be varied and you'll work with prestigious clients. You'll have access to a worldwide network and share your expertise, ideas and questions with the best professionals in your field. You'll work in multidisciplinary teams with colleagues who inspire one another to do their best.

That's another reason why you'll find people from different educational and cultural backgrounds at PwC. By combining unique competences, expertise and perspectives we are able to create unexpected solutions to the social issues of today and tomorrow.

EXCEED YOUR CLIENTS' EXPECTATIONS – AND YOUR OWN

We're always searching for new ways to exceed our clients' expectations. That's why we're eager to help you discover your strengths. We'll coach you, team you up with inspiring colleagues, provide training and offer you the option of switching between sectors and branches or working abroad for a shorter or longer period of time. Because when it comes to your personal development, the sky's the limit at PwC.

Looking forward to meeting you all during the STAR Management Week! For the latest events, traineeships and job openings, see www.pwc.nl/careers

TRACK GUIDELINES

The IBA and BA bachelor curriculum offers students the opportunity to pick one of the five tracks in their third year. To create the perfect fit between the academic program and the STAR Management Week, we have incorporated all five tracks in our activities.

1. ANALYTICAL DECISION-MAKERS

The focus of this track lies on operations, supply chain, data-analytics, and information management. The goal of this track is to teach students to make decisions based on data and modelling.

2. PERFORMANCE ANALYSTS

This track is centered around finance and accounting. It will teach students how to conduct financial and non-financial analyses and make decisions on investments.

3. BEHAVIOURAL EXPERTS

This track focuses on the various HR dimensions and marketing methods. Students will gain knowledge related to behavioral economics and the psychology behind human decision making.

4. GLOBAL THINKERS

This track concentrates on international business, and also focuses on societal issues such as sustainability. Students will learn how to conduct business in an international environment and how firms operate in a global social-institutional context.

5. BUSINESS DEVELOPERS

This track will guide students along the three stages of the development of companies, namely: innovation, entrepreneurship, and change. Students will gain knowledge about entrepreneurship, innovation, renewal, and change management in a business environment.

TRAININGEN

E-Assessment - Hellotest

In this workshop you will learn about the different assessment topics, take and review multiple short assessments, and learn the best tips and tricks to tackle tests in the future. After taking this workshop, you will know about the different assessment topics and how to optimally prepare for an assessment. The workshop will cover verbal, numerical, and logical reasoning.

How to Change - Godard Croon

In this workshop you will discuss the recent developments of the circular economy and what this means for young talents entering the job market. With his wide knowledge on circular economy and circular procurement he will inspire new job finders to help create the new – much needed – economy. Besides that, Godard will encourage you to seriously doubt working for traditional corporate organizations (where he used to work). We need you to create our new sustainable economy, not to protect the current dangerous linear economy. Soak up inspiration, discuss all that needs to be discussed and start helping out!

International training - Hoi Talent

Still getting used to the Dutch way of conducting business? This training will help you to learn about and deal with several related topics. These topics include, among others, an overview of the Dutch labor market for international talents, the hidden rules of job application, useful tips regarding networking, skill sets and channels, and tailoring your CV, motivation and LinkedIn to the Dutch way.

Job Interview - Qompas

How do you distinguish yourself from all other students? How do you present yourself (online) to an employer? During this training, we give you insights into what your competencies are; how to use these competencies in your resume and motivation letter and how to incorporate them into a strong pitch. You'll also learn the following:

- How to make a unique resume
- How to write a targeted motivation letter
- $\boldsymbol{\cdot}$ What questions you can expect from a recruiter using the STARR method

After this workshop you will think about applying in a different way and you will be able to immediately put what you have learned into practice! If you participate in this Masterclass, you will receive a digital copy of the Qompas Application Guide and you're going to have access to the exclusive online Qompas Application tools. These tools will help you during the application procedure to prepare yourself in the best way possible.

Leadership - Topdesk

Chances are pretty big that you'll be working in a team in the future. Maybe you'll even end up in a management position. In that case, how do you ensure that your team performs optimally? That all individual strengths are used optimally and that conflicts are resolved peacefully? Rob Haaring, CFO at TOPdesk, gives his vision and shares his experiences in the field of leadership and managing a team or department. If you want to know more about this, make sure you're there!

Linkedin - Young Financials

Young Financials helps starters and young professionals to find jobs within the Dutch financial sector. We do this by intensively guiding you in the process towards your new job. Since we have built up a broad network of different clients, we know exactly what career opportunities are out there for you! At Young Financials, you can count on extensive personal guidance and customized training. We thoroughly inform you about the position, work environment, team, and organization. Furthermore, we help you to prepare for your job

interview. To give you a kickstart in your career search, Young Financials will provide an interactive LinkedIn workshop. Through various tips and tricks you immediately get started with your own LinkedIn profile. At the end of the workshop, your LinkedIn profile is (even better) ready for use and you will know how to effectively use LinkedIn! This will help you to get in touch with interesting companies. A good first step in finding your dream job!

Networking Masterclass - Alumni Stories

It's your time to learn how to network! Take your chance to attend this unique session where you will learn the 5 rules of networking, and use your skills to network for your dream

job. You will learn, amongst others, how to enter and exit conversations gracefully, how and when to follow up and how to actively participate in conversations.

Women in Business Brand Building - The Brand Me

During this master class (female) students will learn how to strengthen their personal leadership skills. Students will learn how to develop a strong personal brand as women in business. A personal brand comprising both one's success stories and what your unique selling points are. This will ultimately enlarge your visibility by strategically positioning yourself in the labor market. After participating in this workshop you will be able to confidently show up as who you are and make an impact.

Pitch Training - De Kleine Consultant

What is a pitch? And how can it help your career? During a one-hour pitch training two of our consultants will answer these questions in an interactive manner. As a future business(wo)man you'll only get one chance to make a good first impression, whether this is for a future job interviewer, a client or your boss. In the first half of the training the consultants will discuss the substance of a good pitch as well as the verbal and non-verbal aspects. In the second half of the training specific examples will be given for different scenarios and your own pitching skills will be tested.

From Idealism to Innovative Business Idea- Harry Go Vert

From idealism to an idea to a product. That's what organizations like Harry Go Vert are about. We combine our knowledge of software production with our visions for the world. During the training we will go through different stages and tell you about the techniques we used for example to brainstorm or create roadmaps. We will also dig into the problems of making sustainable

choices. You will get the opportunity to spread your ideas but also the problems you encounter in your daily life.

Case Solving - Case Club

By taking part in the RSM STAR Case Club Training, participants can expect to fully learn how to crack a case from A to Z. We will show you a typical case that you might come across in either your studies, or at an international competition, and take you through the entire solving process! This includes the initial analysis, building the solution, as well as presenting your solution to the judges. The training will be delivered by various Case Club board members, as well as alumni working in top-tier firms around the world. We will also use this as an opportunity to look for potential case club members, and potentially even invite those suitable to the January interview rounds. We hope to see you there!

INTERNATIONAL ACADEMIC EVENT

The International Academic Event is a 3-day trip to a city in Europe. This year we will visit Sia Partners, SciencesPo university, and explore the city centre of Paris, France. This is the perfect opportunity to learn more about international oriented companies and how these businesses operate on a daily basis. If you want to be part of this trip, then definitely join the International Academic Event.

SciencesPo

SIAPARTNERS

Company Dinner

This activity is a perfect opportunity to get in contact with recruiters during a luxurious dinner.

During the dinner, you will get to know multiple recruiters from employees of various companies operating in the same industry. After every course you will change tables and get to meet the next firm, ensuring you will get the chance to speak to all the recruiters thoroughly. This year we will host three dinners, revolving around the tech industry, the assurance industry and the banking industry. You get to ask the participating companies all your questions and have the opportunity to really kick-start your career.

Meet the company

Meet a Company of your choice in an interactive and challenging environment. First the firm representative will present the company and tell you all about what it's like working at the respective office. Afterwards you will get the chance to ask any questions you may have. If you are both an ambitious and curious student, join this activity and get ready to Meet the Company! No CV-selection is required for this activity.

Interactive case solving

Have you always wanted to take on a challenging case that a company is trying to solve at this very moment? Then this is exactly the activity you are looking for. This activity is a great chance to show a company your way of thinking and show off your problem solving capabilities. Join us and develop your case cracking skills. In addition to this, you gain insights on the companies' day-to-day business and get a feel for what it's like to work there.

Inhouse day

Are you curious about what a company looks like from the inside? During this on-site activity, you will take a look behind the scenes and discover some of the most impressive office headquarters in the Netherlands. Through visiting the companies you will get to experience the workfloor as if you're already an employee. Through presentations, workshops, cases, tours, lunches, and drinks, you will get to know the culture of a company in a unique way and possibly meet your future colleagues. Check out our calendar to see which companies you can visit!

Informal Recruitment

Our informal recruitment activities give you the perfect opportunity to meet the employees of a company in a less formal setting. These activities enable you to interact with recruiters during a fun workshop or sporty activity. Combining work and entertainment takes the edge off during a sometimes potentially more tense experience. Join in on this unique way to familiarize yourself with a firm whilst having fun!

- Padel Clinic
- Barista Workshop
- VR Experience
- Lasergamen
- Golf Clinic
- Cocktail Workshop
- Wine Tasting
- High Wine
- High Tea
- Jeu de Boules
- Formula 1 Race Experience

Individual Meetings

During the individual meetings you will meet a company representative. In these 15 minute meetings you get to elaborate on your interests, skills and motivation and see if they fit with specific vacancies the company has to offer. In addition, you get to ask a lot of questions and learn more about the company. A large advantage is that since these meetings are individual it really means all eyes are on you! It's your time to shine!

The individual meetings will be hosted in an intimate setting in one of Rotterdam's finest restaurants.

"From my own experience, my best advice to young professionals is to let go of the feeling of having to prove yourself. It is really not necessary. Be yourself, take the time to get to know an organization and the people you work with. Not just what they do, but who they are and get to know the relationship dynamics. The time you put into the authenticity of your network is ultimately going to help you to the role that suits you best."

PENALTY POLICY

Why do we have a penalty policy?

It can happen that you unexpectedly have to cancel one of your activities. We want to ensure that you cancel in time, so we can give your spot to another student. If you unsubscribe before the deadline, you will not receive a fine and another student will fill your spot, a win-win situation for everyone.

How does it work?

You can unsubscribe from activities on the website until two business days in advance, before 17:00. For example, if you cannot attend an activity on Tuesday, you have to unsubscribe the forgoing Friday before 17:00. If you unsubscribe later than 17:00 two working days in advance, you will be fined €15.00.

If you do not show up for an activity that you were selected for without cancellation, you will be fined €25.00.

You are able to unsubscribe through your account at starmanagementweek.nl. Upon your cancellation, you will receive a confirmation email. If no confirmation is received, please send an email to smw@rsmstar.nl.

FAQ & CONTACT

Why do I have to upload an anonymous CV?

To make the CV-selection process as fair and unbiased as possible, we ask you to upload an anonymous CV. Moreover, this allows us to guarantee that only the companies that have selected you receive your personal information. If your CV is not anonymous, or you have not allowed us to share your CV when signing up, this implies that you cannot be selected for CV-activities.

Where do I find my personal schedule?

You can view your schedule online by logging in to our website: starmanagementweek.nl and clicking on 'my events'. Your personal schedule will be available around October 23rd.

How do I unsubscribe from an activity?

You are able to unsubscribe at starmanagementweek. nl. Upon your cancellation, you will receive a confirmation email. If no confirmation is received, please send an email to smw@rsmstar.nl. If you have other questions:

- Send a Direct Message on Instagram (@star.management.week)
